

INDEPENDENT CONTRACTOR AGREEMENT

Sales / Lead Closer — Commission-Based Model

1. Parties

This Agreement is made between NetBots CRM Agency ("Company") and the Contractor:

Contractor Name: CEO Netbots

Role / Designation: Staff

Effective Date: 7/9/2026

2. Nature of Engagement & Sourced Services

The Contractor is engaged strictly as an independent contractor. Sourced services under this platform include Website Development, Search Engine Optimization (SEO), Google Business Profile Optimization (SEO), Social Media Management & Marketing, Graphic Designing, Custom Software Development, and SaaS Products. Contractor is not responsible for post-sale service delivery or fulfillment.

3. Commission Splits & Limits (Max 15% combined split)

Compensation is 100% commission-based. Maximum combined project commission splits shared among all involved roles on any single client deal shall not exceed 15%:

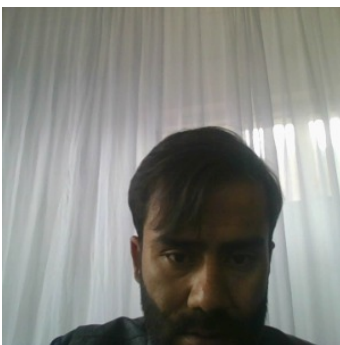

- Lead Collector: Sourced lead commission split up to 2% maximum.
- Lead Verifier: Qualified lead commission split up to 5% maximum.
- Lead Closer: Closed deal commission split up to 10% maximum.

4. Terms, Non-Compete, and Ownership Details

- Clawbacks: Commissions are clawed back if a client cancels within 30 days or is refunded.
- Non-Solicitation & Non-Circumvention: Sourced leads/clients remain sole property of the Company. Contractor is strictly prohibited from bypassing NetBots to deal directly with any lead or client. Any direct engagement or bypassing will lead to immediate legal action and heavy financial penalties.
- Termination: Either party may terminate with 7 days written notice.

5. Electronic Signature and Visual Selfie Verification

By proceeding, the Contractor accepts all clauses above and logs the visual capture below as proof of digital acknowledgment.
